PCX150

THE MORE PLACES TO GO, THE MORE FUN YOU'LL HAVE

YOUR NEW TICKET TO RIDE.

**IN THE FUTURE, MAYBE ALL TWO-WHEELED TRANSPORT
WILL BE THIS GOOD.**

But why wait for tomorrow when you can be riding the new Honda PCX™150 today? It's full of the features that make it one of the smartest ways to get around since man started walking on two legs. Its liquid-cooled engine offers plenty of power for you and a passenger, and it's just about maintenance free. With the Honda V-Matic™ automatic transmission, you just start the engine, twist the throttle, and go. There's even a second compartment in the dash for your mobile phone, wallet or MP3 player. Easy to park? Do you even have to ask? Versatile enough to replace a second car in your garage or carport, about a thousand times more pleasant than the bus or subway, the new PCX150 is the perfect choice.

PCX150

2013

KEY FEATURES

- Bigger, 153cc liquid-cooled fuel-injected four-stroke single-cylinder engine features a single overhead camshaft for spirited engine performance, excellent fuel economy and clean, efficient operation. And it makes the new PCX150 highway legal.
- Honda V-Matic automatic transmission provides seamless acceleration along with twist-and-go simplicity.
- Combined Braking System (CBS) links the rear brake to the front brake for additional stopping power when only the rear brake is applied.
- Since the PCX150 offers both a centerstand and a sidestand, you have maximum flexibility when it's time to park.
- Large, lockable 2.5 liter under-seat storage space can hold most full-face helmets and more.

ENVIRONMENTAL COMMITMENT At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

BE A RESPONSIBLE RIDER Riding a scooter is an exercise in responsibility – to yourself, to others, to the environment and to the sport. So remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Inspect your scooter before riding and read your owner's manual. Log on to the HRCRA® website (hrcra.honda.com) concerning reimbursement through the Honda Rider's Club of America® for Motorcycle Safety Foundation (MSF) rider training. Operating your scooter with a modified engine, emission control system or noise control system may be illegal. For more information visit powersports.honda.com.
